Paul -

I inspected the reseeding completed by Buzz Bates of that portion of the access road on BLM land to the Small Fry Mine on April 6, 2007 and found it was satisfactorily completed. Although nothing is growing yet, the BLM will agree to release that portion of the bond covering reclamation on BLM lands.

Please give me a call if you have any questions

Small Fry Release

Frank--

This is a reminder that you were going to write up something about releasing Small Fry. Ray Cherniske will be calling, and I'd like to tell him the release is coming. Thanks.
